11-00 AM

Where?
Lotus F1™ Team
Conference Centre
Oxfordshire

Our 2013 Spring Meeting takes on a motorsport theme - this time we're visiting the Lotus F1™ Conference Centre in Oxfordshire.

We are very fortunate and delighted to have CECIP's Permanent Secretary, Barbara Morales as our principal guest speaker.

Barbara will be answering the question: "Why is CECIP important for you?" Her presentation will include all-important topics such as EN45501, the definition of 'manufacturer' and the importance of market surveillance. This is an opportunity not to be missed!

...and of course, no UKWF meeting would be complete without our Technical Officer's report, delivered by the inimitable Ian Turner.

For those of you wishing to stay over the night before, we have reserved a number of rooms at the Heythrop Park Resort - please use the booking form accompanying this flyer. For those staying over, we will also be booking a table at a local restaurant for anyone who is interested in joining us.

...and of course this will be an ideal opportunity to savour the accomplishments of one of motorsport's greatest F1™ teams. Members can also test their driving skills on the F1™ simulator, pit themselves against the Batak reaction test machine, peruse the classic car collection or simply say 'cheese' during a photo opportunity with a full size F1™ Car...
