- Exiting the EU (BREXIT)
- W/B Inspections by HCC

W/B Inspections by HCC

Please note if you have a weighbridge calibration contract you may wish to advise your supplier of our intended inspection. Should they be available in the local area on the day of inspection this can, sometimes, avoid an instrument being put out of use for a prolonged period if it requires repair or adjustment and subsequent requalification with a weighbridge test unit. Please note however that Hampshire County Council will not be liable for any costs incurred in doing so.

Future/Ongoing Topics

- Joint training?
- New qualification
